

I was coming to Canada

Frist I was in Sri Lanka. Then my dad and mom decided to go to Canada me and my brothers were excited. When we go to airport I see lots of large.

A picture of airport plane

Frist my dad give the tickets and we were ready to go inside the planes. I was excide to go inside the plane we took 2 plane to come Canada. I played computer in the plane. My family landed at the London. They said Canada plane is going in 2 hours. To hours later me and family want inside the plane when I was in Canada the city was cool. My Uncle was waiting for us. In Canada I lived in my uncle's house. After a year. We got a beautiful house and new car. My dad left me at school. Frist I was in grade 2. My school's name was William tredway. After I went to grade 3. And I finish my grade 3. I went to different school. The different school's name was Churchill heights. In my second new school I was in grade 4. The grade 4 is too heard. My grade 4 teacher said I have to go E.S.L. I don't know what that was. I went to E.S.L one day. It was the place where you learn English.
